Dear Sir,

TROPICAL CYCLONE [TC] TOMAS RELIEF FUND

I write to you personally with the request to make contribution to the Hurricane Tomas Relief Fund Appeal for the Fiji Islands. As a background I briefly outline the following:

Tropical Cyclone Tomas Relief Fund

The relief appeal for funds currently organized by the Embassy of the Fiji Islands in Tokyo, Japan is to raise fund for use in the rehabilitation work for the many people who suffered damages to their homes and livelihood as a result of Hurricane Tomas that ravaged the Northern Division of the Fiji Islands for 3days in 11-13 April 2010.

A full report of the Hurricane Tomas damage with photographs, which details the scale of devastation and the cost maybe be located in the Embassy website at <http://fijiembassy.jp/news/10/20100409.html>. You will also find on that website the Bank and Bank Account details in which you may deposit your contribution.

For ease of reference it is as follows:

Account Number: 1219272 (Ordinary Account: Futsu Koza)
Account Name: Cyclone Tomas Relief Fund
Mizuho Bank, KAMIYA-CHO Branch

The Fiji Government Damage Assessment Team visited the parts of Fiji affected by TC Tomas, to inspect the extent of the damage and estimated that the rehabilitation cost would be round FJD\$84 million. For example, in the education sector with damages to schools and supporting infrastructure the cost of rehabilitation is around \$4.5 million; in the agricultural sector and its supporting infrastructure the cost of rehabilitation is around \$49 million; Health sector the estimate there is around \$1.5 million. The details with photographs can be seen on a copy of the report prepared by the government team to present to international donors in the embassy website.

I thank you most sincerely for your generous contribution.

Yours sincerely,

Isikeli Mātaitoga
